

The 2023-2024 NEOS Compensation Standards state: Those asked to serve as pulpit supply should be contacted well in advance of the date needed and, upon acceptance, be provided with a copy of the worship bulletin and pertinent information about the service. A member familiar with congregational worship practices should be on hand to welcome the pastor prior to the service. The recommended honorarium for one worship service is \$175 plus mileage at the current IRS mileage reimbursement rate (beginning **January 1, 2024 the rate is set at 67 cents/mile**). For additional services, scheduled within three hours of the conclusion of the initial worship service, whether at the same congregation or at another, as in two-point parishes, an additional \$50 per service should be paid plus any additional mileage. If additional services are scheduled during the week that are similar in nature e.g., Sunday evening, Wednesday, Saturday, etc., an additional honorarium of \$85 for each additional service plus mileage at the current IRS mileage reimbursement rate should be paid. For additional responsibilities, appropriate compensation should be provided. Expenses for lodging and meals, if necessary, are to be paid by the congregation. *The current Pulpit Supply list is available on the NEOS website under "For Congregations."*
