9am Session 1: **Creating Worship with Deep Soul**

In this session Marcia will introduce what she means by "M-M-Good" Worship and why this is the most exciting time in worship history to be planning worship - no matter the "style!" 10:45 Session 2: **Think Like a Filmmaker**

What can we learn from filmmakers that can inform our work in offering the greatest Story ever told in sensory-rich ways? Why do we need sensory-rich worship and how can we do it in large and small churches with small budgets and volunteers?

1:00pm Session 3: **Top Tips for Worship Arts**

Drawing from her latest book, Dr. McFee will offer her "top tips" and best practices for the visual, media, verbal, musical and dramatic arts and how to get people involved even if they can't be on a regular "worship team."
