UCC: United Church of Christ.

PART ONE: EXPLORATION

This part of the journey involves asking essential questions of potential Member in Discernment candidates who are considering their response to a call from God to authorized ministry.

STEP 1: CANDIDATE DISCERNMENT WITHIN THE LOCAL CHURCH

Note: The following steps must be completed in the order listed here.

There are important roles for the local church to play, on behalf of the entire United Church of Christ, throughout the ordained ministry discernment process in the Living Water Association.

First, local churches are primary places in which the gifts of persons for ministry are observed, called forth, nurtured, and celebrated. The UCC Constitution states: *The United Church of Christ seeks to undergird the ministry of its members by nurturing faith, calling forth gifts, and equipping members for Christian service* (paragraph 20). Local churches are instrumental in helping their members hear and clarify their call to ordained ministry. The ongoing and future leadership of the Church and its mission are dependent on local churches being aware and intentional in this role.

This understanding is the basis for the requirement that a person must be an active member of a local UCC church for at least a year in order to seek authorization as an ordained minister of the UCC.

DISCERNMENT SUPPORT TEAM

When a member of a local UCC church expresses a desire to prepare for ordained authorized ministry in response to God's call, the local church creates a Discernment Support Team (3 to 5 members)

1. who will:
 - explore the person's understanding of Christian faith and practice, sense of call, gifts for ministry, experiences in leadership, personal history, spiritual journey, length of membership, and anticipated practical concerns around education and finances
 - discern that the member has gifts for ministry and a call by God to Authorized Ministry
 - continue to walk the discernment journey with the candidate to its completion, continuing to explore the person's understanding of Christian faith, sense of call, gifts for ministry, experiences and practical concerns
2. the pastor and/or congregation makes a formal written request to the Discernment Working Group of the Committee on Ministry that the member be received as a Member in Discernment.

A complete description of responsibilities for Discernment Support Team can be found in **Appendix A**

As the person considering ordained ministry, the pastor, and Discernment Support Team meet, they may wish to discuss

- Has the person been an active participant in the life of the local church? In their participation have they shown the gifts and maturity necessary for authorized ministry?
- What is the person's understanding of authorized ministry? Does the person have a realistic view of authorized ministry? Do they understand the types of things an authorized minister does? Is there another form of ministry more suited to the person's gifts and passions?
- Does the person understand the educational requirements needed?
- Do they know about the need for Member in Discernment relationship with an Association in the UCC and understand the requirements to seek that status?

The Discernment Support Team can recommend Ask the Question, a great resource for discerning a call to ministry, to facilitate discussion about the person's call. The resource can be found here: <https://www.ucc.org/ask-the-question>

If the pastor and church leaders confirm a call to ministry, they will recommend the person to the Discernment Working Group to become a Member in Discernment as part of the candidate's preparation for authorized ministry. This is communicated via a letter to the Discernment Working Group of the Committee on Ministry (sent via the Living Water Association registrar, registrar@livingwaterone.org). This letter will include the following:

- A statement and explanation of the church's recommendation of the person for Member in Discernment status
- Verification of the candidate's membership and involvement in the local church and the amount of time the person has been in the UCC.
- The process used by the church to make that decision

It is vital that the church continue to support the Member in Discernment during the discernment process, which lasts a minimum of one year. Generally, the process takes at least three years, in some cases longer.

STEP 2: COMMITTEE ON MINISTRY DISCERNMENT AND AUTHORIZATION

Note: The following steps must be completed in the order listed here.

STEP 2.1: Introduction of candidate to Association General Minister

The candidate will arrange to meet with the Association General Minister, who will hear the story of the candidate's call and share a general review of the Member in Discernment process, answering any questions, and ensuring that a copy of this document is available to the candidate.

STEP 2.2: Application to the Discernment Working Group of the Committee on Ministry

The candidate will provide the Discernment Working Group the following documentation (sent to the Living Water Association registrar, registrar@livingwaterone.org):

- Member in Discernment Application found in **Appendix B**
- A paper about your Spiritual Journey and the story of their call. See **Appendix C** for an outline
- Three letters of reference (including the letter from the candidate's local church, referenced above)
- Documentation of their formal education (transcripts, evaluations)
- Plans for theological education, if any
- Background Check (arranged by the Association office)

Once the Living Water Association registrar receives these materials, an interview with the Discernment Working Group will be scheduled. The candidate's pastor and/or a member of Discernment Support Team will attend this interview to present the candidate.

STEP 2.3: Interview

At the meeting, the pastor and/or a member of Discernment Support Team will be given the opportunity to present and share information about the person's history and involvement with the local church. The Discernment Working Group will interview the candidate as to their sense of call, their spiritual journey, understanding of authorized ministry in the United Church of Christ, and academic and vocational intentions.

The Discernment Working Group may also wish to review the following concepts with potential Members in Discernment:

- Biblical, theological and ecclesiological discernment of call and ministry formation
- Developing and Assessing Readiness
- Ongoing Formation and Lifelong Learning
- Living Water Association Ministerial Formation Plan
- The Marks of Faithful and Effective Authorized Ministers of the UCC (**Appendix D**)

At the end of this meeting, the Discernment Working Group either grants the candidate Member in Discernment status or not. The outcome might be:

- Yes, the candidate is accepted.
- Yes, with certain conditions.
- No, with a willingness to reconsider if certain recommendations are addressed.
- No, the candidate does not have the gifts for ministry or the candidate does not have a discernible call to ministry. This terminates the discernment process immediately.

Note: It is important to remember that acceptance as a Member in Discernment is not a guarantee of ordination. It is the granting of the status which enables the candidate to continue in the discernment process towards ordained authorized ministry.

Upon being granted Member in Discernment status the candidate will:

- Start using Journaling the Journey (to be found on www.uccresources.com).
- Be assigned a Mentor by the Discernment Working Group with whom they are expected to maintain contact on a monthly basis.
- Be assigned an Advisor by the Discernment Working Group with whom they are expected to maintain regular contact (at least twice a year).
- Actively participate in a Community of Practice assigned by Discernment Working Group.
- Maintain regular contact with their pastor, church of membership and, in particular, the Discernment Support Team of their church.
- Maintain regular contact with the Living Water Association office.

STEP 2.4: Vocational/Psychological Assessment

A career assessment — which includes comprehensive personal, emotional, and psychological evaluation — is required through Midwest Ministry Development. Once Member in Discernment status is granted, the Living Water Association registrar will contact the Member in Discernment about scheduling their appointment with Midwest Ministry Development. The cost of the evaluation is shared between the candidate, church of membership, and the Association.

STEP 2.5: Member in Discernment Covenantal Agreement

It is the polity of the UCC to live in covenant. In this journey of discerning one’s call, it is important to covenant together to support, nurture and hold one another accountable so that together we can discern God’s call in the life of the candidate, to authorized ministry, specifically ordination.

To that end, we recommend that all parties in this new relationship covenant together using the Member in Discernment Covenantal Agreement found in **Appendix E**

PART TWO: DISCERNMENT

Once Member in Discernment status has been granted, the Discernment Working Group assigns the candidate a Mentor, an Advisor and a Community of Practice. The candidate begins completing The Marks of Faithful and Effective Authorized Ministers Self-Assessment in preparation for developing the Ministerial Formation Plan with their Wisdom Circle.

MENTOR

The Mentor serves as both a role model and support during this time of discernment. The role of the mentor is to explore various forms of ministry and prepare the candidate for the challenges of authorized ministry. The mentor is appointed by the Discernment Working Group immediately upon granting Member in Discernment status, and is a partner in the Member in Discernment Covenantal Agreement.

The Mentor will assist the Member in Discernment in the following ways:

- Work with the Member in Discernment in a Self-Assessment using The Marks of Faithful and Effective Authorized Ministers. The Member in Discernment will provide them a copy of their Self-Assessment as well as a copy of their Journaling the Journey.
- Together with the Wisdom Circle and the candidate, participate in developing a Ministerial Formation Plan. This plan will be presented to, refined and approved by the Discernment Working Group.

- Provide opportunities for the Member in Discernment to raise and explore questions about faith, the Church, ministry, etc.
- Encourage and, if possible, accompany the Member in Discernment to take an active part in Association, Conference, and denominational activities.
- Maintain monthly contact with the Member in Discernment (initiated by the Member in Discernment) to review educational progress, growth, goals, and needs.
- Report any ethical or boundary concerns to the Association General Minister.
- Attend Member in Discernment meetings with Discernment Working Group, when possible and as invited by the Member in Discernment.

The Member in Discernment and mentor meet at least once a month to work together on The Marks of Faithful and Effective Authorized Ministers by using Journaling the Journey. Mentors serve as trusted companions and share important lessons learned from their own ministry careers. They help clarify whether authorized ministry is the most appropriate response to the individual's call, or if the Member in Discernment could better serve the church by not being authorized. They also help discern which particular form of ministry is most suited to that individual's gifts and skills.

The Member in Discernment is expected to be proactive in communicating with their mentor at least once a month. The Member in Discernment is expected to be able to: articulate evidence of their spiritual growth; demonstrate awareness of, and work on, personal growing edges; name newly acquired ministry skills (preaching, teaching, visioning, etc.)

A full list of the responsibilities of the Mentor are included as [Appendix G](#).

ADVISOR

The Advisor serves as a liaison between the Member in Discernment and the Discernment Working Group, particularly clarifying the Discernment process, to help the Member in Discernment understand and follow the steps of their process. The Advisor convenes and chairs the candidate's Wisdom Circle, helping develop their Ministerial Formation Plan. The Member in Discernment is expected to communicate with the Advisor when they have questions about the Member in Discernment process.

DISCERNMENT SUPPORT TEAM AND PASTOR OF CHURCH OF MEMBERSHIP

The Member in Discernment is expected to meet with their pastor and the Discernment Support Team of their local church (where membership is held) at least twice a year. Regular contact will ensure that covenant relationships are strengthened. The Member in Discernment needs to be proactive in communicating and arranging meetings. This will encourage support from the members of the church and help the Member in Discernment as they clarify their call.

The Member in Discernment should offer a quarterly update to the local church and pastor. This might be, for example, an article for the newsletter, Sunday bulletin, or a report to the Consistory/Council and local Pastor.

Remember, this is a shared journey. All parties are in covenant and communication is crucial. The candidate meets and communicates regularly with their various supports and partners throughout the discernment process.

Changing church membership during the discernment process is not anticipated. If such a step is necessary, it should be done in communication with the Association General Minister and the Discernment Working Group.

MARKS OF FAITHFUL AND EFFECTIVE AUTHORIZED MINISTERS SELF-ASSESSMENT

This is the document the candidate utilizes for self- assessment as soon as they are granted Member in Discernment status.

WISDOM CIRCLE AND MINISTERIAL FORMATION PLAN (Appendix I)

The Wisdom Circle consists of their (1) Advisor (who convenes and chairs the Circle), (2) Mentor, (3) a member of the candidate's Discernment Support Team and/or Pastor, (4) a representative from the Committee on Ministry, and (5) the Association General Minister.

The Wisdom Circle's primary task is to work with the Candidate to create a Ministerial Formation Plan that is presented to the Discernment Working Group. The Ministerial Formation Plan focuses on improving the candidate's growing edges as discerned through assessment using the Marks and suggests ways to strengthen the candidate's competencies with the Marks.

On behalf of the Discernment Working Group, the candidate's Advisor convenes and chairs a Wisdom Circle, who works with the Member in Discernment to develop their own uniquely designed Ministerial Formation Plan. This document takes into account the results of the Self-Assessment and then lists:

1. future plans to acquire appropriate knowledge and skills for authorized ministry, and
2. plans to hone practices of ministry as outlined in The Marks of Faithful and Effective Authorized Ministers, exhibiting a willingness to engage in lifelong learning and an openness to God's continued call.

The Ministerial Formation Plan includes academic learning and other education requirements, varying depending on the Member in Discernment's education, gifts, strengths, and experiences.

The Member in Discernment submits the Ministerial Formation Plan to the Discernment Working Group through the registrar, who schedules the candidate to meet with them. Once the Discernment Working Group has approved the plan, the Member in Discernment offers

their Mentor and Advisor regular updates as they progress through their Ministerial Formation Plan; documenting coursework, individual learning, seminars attended, etc.

See instructions for developing a Ministerial Formation Plan in [Appendix J](#).

ACADEMIC EDUCATIONAL REQUIREMENTS

Please note: the use of “equivalent” and/or “approved” below needs to be deemed as such by the Discernment Working Group. The minimum educational requirements for a Member in Discernment should include:

- Bachelor’s Degree or its equivalent, and
- All Members in Discernment, whether attending seminary or taking one of the multiple paths to ministry, should possess proven experience, competency, and/or coursework in the following list. This may take the form of a M. Div, or approved equivalents.

CONTEXTUAL EXPERIENCE

The goal of contextual experience is to offer supervised opportunities for formative experiences in ministry outside the classroom including churches, hospitals, retirement homes, university campuses, social service agencies, and local urban shelters.

Students design their own learning covenants based upon their vocational plans, the pastoral skills they need to learn, and the pastoral experience they need; the objective is to help students meet their denominational requirements for ordination and become transformational ministers.

In their field education, students learn about themselves. They are shaped by the experiences in their practices of ministry, encounters with the people with whom they serve, and the wisdom of a skilled supervisor who will accompany them in this discernment process. In addition to providing students with the opportunity to engage in supervised ministries, students are also expected to reflect theologically upon their ministerial experiences.

Clinical Pastoral Education is interfaith professional education for ministry. It brings theological students and ministers of all faiths (pastors, priests, rabbis, imams and others) into supervised encounter with persons in crisis. Out of an intense involvement with persons in need, and the feedback from peers and teachers, students develop new awareness of themselves as persons and of the needs of those to whom they minister. From theological reflection on specific human situations, they gain a new understanding of ministry. Within the interdisciplinary team process of helping persons, they develop skills in interpersonal and interprofessional relationships.

REQUIREMENTS RELATED TO THE ASSOCIATION AND CONFERENCE

- Attend at least one Healthy Practices for Ministry before ordination
- Participate in a Member in Discernment Community of Practice
- Attend Annual Meetings and Spring Vitality Festival of the Association
- Attend Heartland Conference Annual Meeting
- Attend UCC National Members in Discernment Event

ANNUAL REVIEW

The Member in Discernment will arrange to meet with the Discernment Working Group on an annual basis by contacting the Association registrar. This meeting will ensure the Member in Discernment feels connected to the process, offer a time for sharing joys and concerns, allow an opportunity for the Discernment Working Group to be aware of the Member in Discernment's journey of discernment and education, and offer the Discernment Working Group the opportunity to share any recommendations or additional requirements. The Member in Discernment will invite their mentor to be present for this annual review.

RECOMMENDED MEMBER IN DISCERNMENT PRACTICES OF MINISTRY

The following customs are practiced with variations in each UCC Association. These descriptions are intended to serve as a guideline for clergy and Members in Discernment in the Living Water Association.

- Stoles — are worn as a symbol of an authorized minister’s yoked relationship with Christ in service to God’s people. Stoles are bestowed upon a Member in Discernments on the day of their ordination and are not worn before then.
- Robes — may be worn by Members in Discernment.
- Clerical Collars — like stoles, tab and Anglican clerical collars are symbols of the pastoral office and are worn at the discretion of Member in Discernments, in consultation with their supervisors.
- Titles — the title “Reverend” is reserved for ordained ministers. “Pastor, minister, clergy person” are reserved for authorized and ordained ministers. Members in Discernment are sometimes referred to as “Student Pastor” or “Student Chaplain” but shouldn’t claim a clerical title until the day of their authorization to ministry.
- Sacraments — the UCC recognizes and celebrates two sacraments: baptism and communion. Only authorized UCC ministers may preside at the table and the font. Members in Discernment can, and should, co-celebrate sacramental liturgies with their field education supervisor or home pastor, as appropriate.

PART THREE: MINISTERIAL AUTHORIZATION

FINAL ASSESSMENT FOR MINISTRY

In meetings with the Member in Discernment, the Discernment Working Group may conclude that the Member is ready for a final assessment for ministry. The Discernment Working Group will then begin providing feedback on the Member in Discernment's ordination paper."

The Discernment Working Group continues to meet with the Member in Discernment, as necessary, as they finalize their paper. Once the Discernment Working Group approves the Member in Discernment's ordination paper, the candidate will be scheduled for an interview with the whole Committee on Ministry.

ORDINATION PAPER

The ordination paper is its own unique genre of writing. It should reflect your particular sense of call, your lived experience, theological perspective and training. Written with academic rigor and the proper citation of sources, the paper should integrate the work of other theologians and ministry practitioners whose ideas you synthesize into your own ministry and this ordination paper.

The ordination paper is expected to be 4,000-5,000 words, and will:

- Include your call to ministry and understanding of theological concepts as they relate to the Christian life.
 - Address these key theological concepts: God, Jesus Christ, the Holy Spirit, Trinity, the sacraments, scripture, and atonement.
 - Also include topics that are significant to you, such as: creation, liturgy, ecclesiology, soteriology, eschatology.
- Depth of topic is more important than breadth of topics.
- Use a coherent and consistent academic formatting style for layout and source citation.

Additionally, express your theological understanding of effective ministerial leadership in the United Church of Christ as framed by The Marks of Faithful and Effective Authorized Ministers (**Appendix L**). To guide you in the crafting of your paper, see **Appendix M** which offers reflection questions based on the Marks.

FINAL INTERVIEW WITH THE COMMITTEE ON MINISTRY

Upon approval of the Member in Discernment's ordination paper by the Discernment Working Group, the candidate will be scheduled for an interview with the whole Committee on Ministry. This meeting will include a worship service followed by an interview with the whole Committee on Ministry with questions focusing on, but not limited to, the worship service and ordination paper.

THE WORSHIP SERVICE

The candidate crafts and offers a worship experience of no more than 30 minutes. The candidate is encouraged to express their creativity and gifts in planning and leading this service. The service should demonstrate the candidate's skill for worship design, leadership, and preaching. The committee expects candidates who are called to specialized ministry to tailor the service to reflect that specialization. The outline of the service might include:

Opening Music
Gathering (e.g. Call to
Worship)

Opening Prayer
Hymn
Scripture Reading(s)
Sermon (required)
Pastoral Prayer
Hymn
Blessing

The candidate is expected to provide musicians or musical accompaniment. Keep within allotted time by choosing selected verses for hymns or songs. A printed order of service is not required, however, should the candidate decide to use one, 27 copies for Committee on Ministry would be needed, plus any guests that accompany the candidate.

The Committee on Ministry recommends that candidates visit the church where the service will be held, prior to the date of interview. Alternately, candidates should plan to arrive early to familiarize themselves with the worship space and work out logistics. Please do not hesitate to contact the Association General Minister, Advisor, or the Living Water Association Registrar, if you have additional questions.

INTERVIEW WITH THE COMMITTEE ON MINISTRY

The purpose of this interview is to examine and authorize the ordination of the Member in Discernment. The following is a sample agenda:

- The Discernment Working Group introduces the Member in Discernment to the Committee on Ministry.
- The Committee on Ministry assesses the fitness of the Member in Discernment to ordained ministry in and on behalf of the United Church of Christ.
- On completion of the interview, the Member in Discernment is excused while the Committee on Ministry deliberates on whether or not to authorize the Member in Discernment for ordination, pending an approved call.
- The candidate is invited back into the meeting space and informed of the Committee's decision.
- If the Member in Discernment is approved for ordination by the Committee on Ministry, pending a call:
 - The Member in Discernment completes and circulates their Ministerial Profile
 - Once an approved call has been obtained the Member in Discernment contacts the Association General Minister to plan for a service of ordination.

The decision of the Committee on Ministry is made on behalf of the Association and is a decision made for the entire United Church of Christ. It is binding and honored by other Associations of the United Church of Christ.

PART FOUR: EXPECTATIONS OF CONTINUING COVENANTAL RELATIONSHIP

Once ordained, a person is granted authorized ministerial standing and becomes a voting member of the Association and Conference in which they hold their standing.

The United Church of Christ takes great care to provide adequate oversight for those who minister to its congregations. Ordained ministers of the United Church of Christ receive care and oversight by the Association in which they hold their standing. In acting on behalf of the whole church, Associations are covenantally related to other Associations and Conferences, to the persons they have authorized for ministry and to local churches and other calling bodies. This spirit of covenantal relations is undergirded by the Constitution and Bylaws of the United Church of Christ, which establishes the relationship and authority of the various covenantal partners related to ministerial authorization.

Associations have the responsibility for extending nurture and ensuring ecclesiastical accountability for all authorized ministers, including retired ordained ministers and those serving in a variety of ministry settings - as pastor of a local church, chaplain, professor, pastoral counselor, and persons engaged in other secular employment. (Manual of Ministry, Section 2, Article 6: Accountability and Support, p. 109-137)

Also, authorized ministers have the responsibility to be in covenant with their Association, other authorized ministers, and their setting of ministry. Just as Associations have the responsibility for supporting and holding accountable all authorized ministers; authorized ministers have the responsibility to be in covenant by supporting and being part of their Association, Conference and the wider UCC.

In order to maintain good standing in Living Water Association Authorized Ministers:

1. Must hold membership in good standing with a Local Church of the United Church of Christ
2. Must attend a Healthy Practice for Ministry event, the equivalent of Boundary Training, every other year. Authorized ministers will receive reminders from the Association office about those scheduled events.
Retired Authorized Ministers who no longer perform ministerial functions may be exempt from this requirement. A request for exemption is to be made to the Oversight Working Group of the Committee on Ministry.
3. We encourage and expect our Authorized Ministers to participate in a Continuing Education experience at least every other year. We ask that authorized ministers send us their certificate of attendance for record keeping.
4. Authorized Ministers must complete an Information Review form annually. The form can be found on our website: <https://livingwaterone.org/pastors-information-review-form/>

5. We offer Communities of Practice, which are groups for authorized Ministers who gather for personal and professional development. Information can be found on our website. Here is the Link: <https://livingwaterone.org/pastoral-excellence/>

Other examples of how authorized ministers are expected to be in covenant with the Association, Conference, and the wider UCC include:

- Faithful preaching and teaching of the Gospel, the exercise of pastoral functions, and the administration of rites and sacraments of the Church as such time and in such places as may be appropriate
- Regular participation in Association Annual Meetings, Ministerium gatherings, and Conference Annual Meetings
- Adherence to oversight by the Association Committee on Ministry, including annual reviews, periodic support consultations, healthy practices for ministry...
- Clear and timely communication with the Association and/or Conference when situations arise within your ministry setting that may affect the continuing healthy ministry of that setting
- Willingness to serve in leadership and support roles for the work of the Association and Conference
- Adherence to the UCC Ministerial Code and the Marks for Faithful and Effective Authorized Ministers

Appendix A

LOCAL CHURCH DISCERNMENT SUPPORT TEAM

When a member of a local UCC church expresses a desire to prepare for ordained authorized ministry in response to God's call, the local church creates a Discernment Support Team (3 to 5 members)

1. who will:
 - explore the person's understanding of Christian faith and practice, sense of call, gifts for ministry, experiences in leadership, personal history, spiritual journey, length of membership, and anticipated practical concerns around education and finances
 - discern that the member has gifts for ministry and a call by God to Authorized Ministry
 - continue to walk the discernment journey with the candidate to its completion, continuing to explore the person's understanding of Christian faith, sense of call, gifts for ministry, experiences and practical concerns
2. the pastor and/or congregation makes a formal written request to the Discernment Working Group that the member be received as a Member in Discernment.

As the potential candidate, the pastor, and Discernment Support Team meet, they discuss:

- Has the person been an active participant in the life of the local church? In their participation have they shown the gifts and maturity necessary for authorized ministry?
- What is the person's understanding of authorized ministry? Does the person have a realistic view of authorized ministry? Do they understand the types of things an authorized minister does? Is there another form of ministry more suited to the person's gifts and passions?
- Does the person understand the educational requirements needed?
- Do they know about the need for Member in Discernment relationship with an Association in the UCC and understand the requirements to seek that status?

If the pastor and church leaders confirm a call to ministry, they will recommend the person to the Discernment Working Group to become a Member in Discernment in preparation for authorized ministry. This is communicated via a letter to the Discernment Working Group of the Committee on Ministry (sent via the Living Water Association registrar, registrar@livingwaterone.org). This letter will include the following:

- A statement and explanation of the church's recommendation of the person for Member in Discernment status
- Verification of the candidate's membership and involvement in the local church and the amount of time the person has been in the UCC. Copy of letter becomes part of the Member in Discernment portfolio
- The process used by the church to make that decision

It is vital that the church continue to support the Member in Discernment during the discernment process, which lasts a minimum of one year. Generally, the process takes at least three years, in some cases longer.

SPIRITUAL JOURNEY PAPER OUTLINE

The Spiritual journey and Call paper

This paper tells your story, your experience of God, faith and spirit throughout your life as well as the story of your call.

When Christians talk about a "call," we mean that God is calling us—in our mind and heart—to take an action or make a choice with our lives. The Latin word for "call"—*vocatio*—is the root of a word often used to describe a call that leads us into a way of life: a "vocation."

A call to ministry includes the community's recognition of and calling forth gifts for ministry. One of the distinguishing aspects of ministry in the United Church of Christ is the affirmation that ministerial leadership is always defined by an ongoing sacred covenant among the minister, the congregation and the denomination; thus, ministry is more communal than individual, and the call to authorized ministry is always discerned with others.

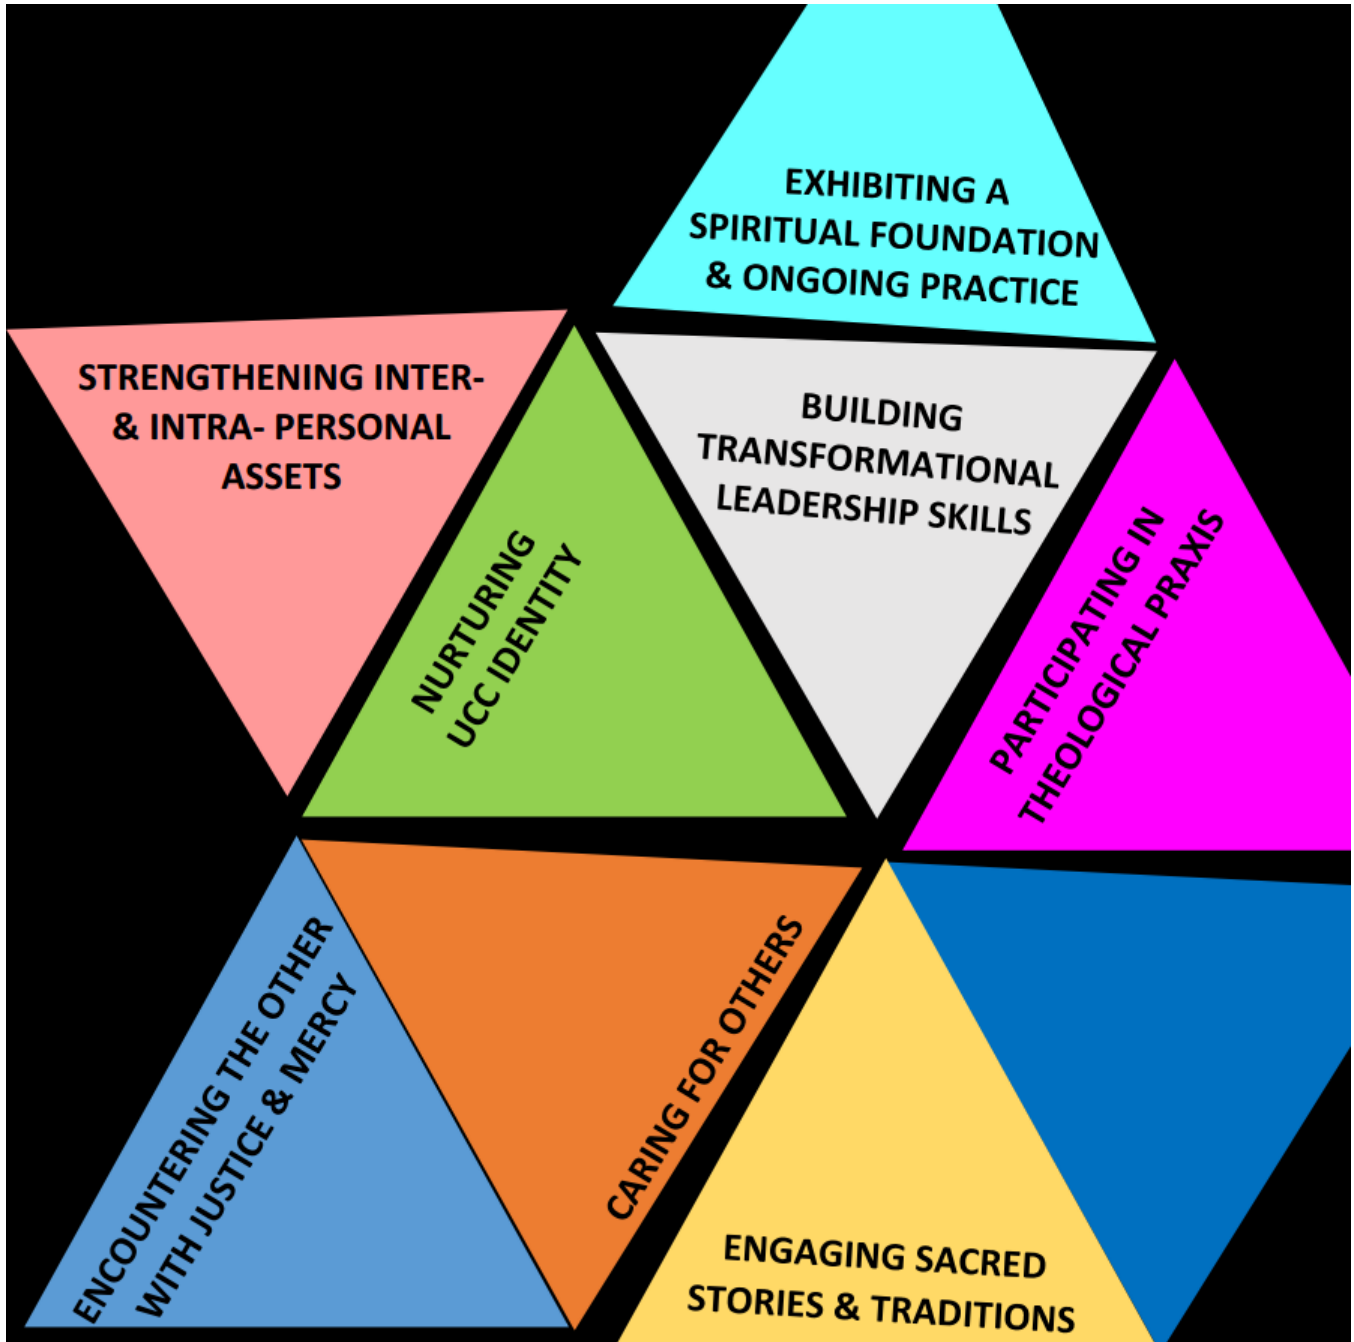

Your paper can include reflections on the following:

- Your first awareness of God
- Your experience of Church and community
- Your quest for search and meaning and where God has been in the quest
- The defining moments in your life and how you see God in them
- Experiences of life that reflect love, compassion, justice
- The story of your call – How did you hear God's voice
- What gifts do you bring to ministry?
- Your understanding of ordination and authorized ministry

You can also create a timeline filled with key events, people, places, experiences and ponder how God was part of those moments.

Appendix D

THE MARKS OF FAITHFUL AND EFFECTIVE AUTHORIZED MINISTERS

The Marks of Faithful and Effective Authorized Ministers of the United Church of Christ: INTRODUCING THE REVISION

The *Marks of Faithful & Effective Authorized Ministers* - developed as part of the work that followed General Synod's affirmation of the Ministry Issues Pronouncement (2005) - strives to demonstrate the diverse paths of preparation and formation for authorized ministry and to highlight the complex combination of talents, understandings and skills needed for faithful and effective ministerial leadership in the United Church of Christ.

Despite their appearance on paper as a long list of 64 individual marks in four categories, the whole *Marks* help to paint a picture of a person's initial preparation for and ongoing formation in authorized ministry. The *Journaling the Journey* workbook (released by MESA in 2014) posits that the individual marks are like individual elements of a mandala - some larger, some smaller, all diverse and all necessary for the creation of a beautiful image.

Yet even the translation from a linear list of marks to a 2D picture of marks has been insufficient, and the Habakkuk Group has identified a necessary third dimension of marks: movement indicating integration and growth. In **preparation and formation**, the various marks do not remain in place as stagnant elements of a picture; they tumble and shift and influence other marks, growing and reshaping across one's journey in Christian discipleship and in authorized ministry. To use a playful 3D image, the various marks - working dynamically within and demonstrated through an individual - could be said to be fragments of color in a spinning kaleidoscope, tumbling and overlapping to create one dynamic image.

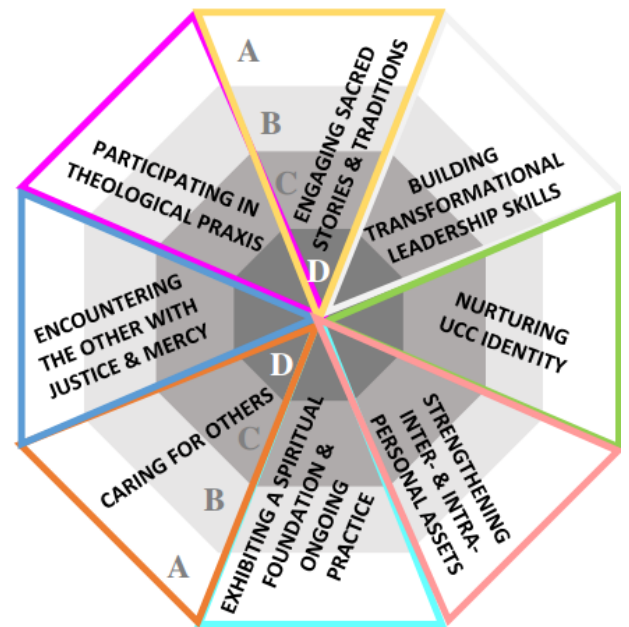

What do we mean by **preparation** and **formation**? **Formation** is the influence of time and activities, life experiences, education, practice, and reflection in community that collectively lead toward the development of knowledge, skills, understanding and commitment.

Preparation imagines a particular end goal and strives to develop or learn what is needed toward that end goal, even while recognizing that the goal may change or may not be realized. Preparation is often particular to a season or task (e.g. Member in Discernment preparing with the hopes of being entrusted with authorization, or an authorized minister preparing for a new position in chaplaincy), while formation is lifelong. The particulars of a person's preparation and formation for/in authorized ministry are unique: determined by call, ongoing discernment individually and in community, context, gifts & graces, and needs of the Church, all integrated in practice and guided by God's call to the individual, God's call to the Church, and the *Marks*.

The Habakkuk Group, in its work to revise and revision the Manual on Ministry, revisited the original *Marks of Faithful & Effective Authorized Ministers* in order to unveil biases, to better highlight core habits of excellent ministerial leadership, and to slim down the total list of individual marks. The four sections of the original *Marks* have been recreated as eight primary categories and the full list of marks has been reimagined from 64 to 46, with the existing tools (*Assessment Rubric* and *Journaling the Journey*) to be updated to reflect this *Marks* revision.

With the dynamic kaleidoscope of eight new categories and 46 individual marks, it becomes clear that faithfulness and effectiveness for/in authorized ministry include healthy integration and purposeful growth across the marks. The characteristics of this growth and integration can be illustrated by a deepening toward the center: The outer layer (A) indicates *experience* with a particular mark. The second layer (B) shows *deep understanding* of a particular mark. The third layer (C) demonstrates *integration* of a mark with other marks and areas of ministry. The core (D) represents *passion and love* for the mark - both the goal of growth and the originating foundation for each mark.

All Christians may exhibit any of the individual marks and at any layer of growth, including the core of love for a particular mark, simply as a natural expression and demonstration of faith. These marks reflect many aspects of discipleship that Christians might strive to develop. **For authorized ministers and those seeking authorization in the United Church of Christ, the collection of marks must be taken as a whole - the Marks of Faithful and Effective Authorized Ministers** - in which the various marks, qualities and skills are developed and integrated together, always alongside individual and communal habits of discernment and assessment, as well as ongoing dedication to personal and professional formation. When taken as a whole and integrated (set in motion) for ministerial leadership, the *Marks of Faithful and Effective Authorized Ministers* begin to look like this:

WISDOM CIRCLE AND MINISTERIAL FORMATION PLAN

The Wisdom Circle consists of their (1) Advisor (who convenes and chairs the Circle), (2) Mentor, (3) a member of the candidate's Discernment Support Team and/or Pastor, (4) a representative from the Committee on Ministry, and (5) the Association General Minister.

The Wisdom Circle's primary task is to work with the Candidate to create a Ministerial Formation Plan that is presented to the Discernment Working Group. The Ministerial Formation Plan focuses on improving the candidate's growing edges as discerned through assessment using the Marks and suggests ways to strengthen the candidate's competencies with the Marks.

On behalf of the Discernment Working Group, the candidate's Advisor convenes and chairs a Wisdom Circle, who works with the Member in Discernment to develop their own uniquely designed Ministerial Formation Plan. This document takes into account the results of the Self-Assessment and then lists:

1. future plans to acquire appropriate knowledge and skills for authorized ministry, and
2. plans to hone practices of ministry as outlined in The Marks of Faithful and Effective Authorized Ministers, exhibiting a willingness to engage in lifelong learning and an openness to God's continued call.

The Ministerial Formation Plan includes academic learning and other education requirements, varying depending on the Member in Discernment's education, gifts, strengths, and experiences.

The Member in Discernment submits the Ministerial Formation Plan to the Discernment Working Group through the registrar, who schedules the candidate to meet with them. Once the Discernment Working Group has approved the plan, the Member in Discernment offers their Mentor and Advisor regular updates as they progress through their Ministerial Formation Plan; documenting coursework, individual learning, seminars attended, etc.

Appendix J

DEVELOPING THE MINISTERIAL FORMATION PLAN

1. Begin by reviewing **The Marks of Faithful and Effective Authorized Ministers of the UCC**.
2. Using the candidate's self-assessment of the Marks, their spiritual journey, transcripts, and documents look for evidence of competencies for each Mark. You may want to make notes using colored pencils corresponding to each of the eight sections of the Marks.
3. Note initially which sections the candidate demonstrates strength and which sections need further development. For example, does the candidate have some experience with this Mark; do they demonstrate a deep understanding of this Mark; have they integrated this Mark with other Marks and with their ministry; do they exhibit a passion for this Mark, such that they can lead others in its development? A copy of **The Marks of Faithful and Effective Authorized Ministers Assessment** (Appendix G) should be completed by the Member in Discernment in collaboration with their Mentor, Advisor and several persons familiar with the candidate's spiritual journey and faith practices and reviewed jointly.
4. Use these initial assessments as the basis for dialogue as you enter into the discernment process with the candidate. Determine what further evidence needs to be presented and/or what areas need further learning.
5. **Develop a *Ministerial Formation Plan* tailored to the individual** that will enable the candidate to acquire the learning and/or experience to develop competency in Marks where growth is lacking. The *Ministerial Formation Plan* should indicate specific desired outcomes, a timeline, and how the learning will be subsequently evaluated.
6. Living Water Association Registrar will maintain records that are shared with the candidate to keep track of observations of maturation and integration. When the competency has been sufficiently demonstrated, the Discernment Working Group will "sign-off" on the Mark. Sufficiency does not mean perfection. It means evidence of competency (knowledge, skills, and attitudes) sufficient for authorized ministry, with the expectation that all ministers will be lifelong learners.
