Dear Rev. Howard:

Family Promise of Greater Cleveland, and its predecessor organizations, have been providing safe temporary housing and a variety of individualized supportive services for Greater Cleveland's most vulnerable families for over 30 years. Shelter, Case Management, Employment Services and Community Stabilization services are provided for approximately 75 unhoused families a year consisting of 250 individuals, the majority of which are small children.

The Church of the Covenant has been one of Family Promise's congregational partners for several years. Our mission committee has supported them both financially and by providing food from our food pantry.

Please allow this letter to serve as confirmation of our role as the partnering congregation for Family Promise's Faith in Action grant application. We can attest to their strong leadership and staff, and to their commitment to improving the lives of homeless families in Greater Cleveland.

If you have any questions or need more information, please contact me at 216-421-0482.

Sincerely,

Rev. Jessie MacMillan
