To Whom It May Concern:

I am writing this letter on behalf of our congregation stating that we do indeed support Red Tulip and have since its inception. We have officially committed to support the Red Tulip Beyond program, now and in our time ahead, as of this past January's congregational annual meeting. We enjoy Red Tulip's active ministry within our community and are happy to have them as ministry partners and neighbors.

Our church also supports this ministry through gathered donations from the congregation for Red Tulip's ministry as their needs arise. We have given gift cards for transportation, and specific personal items as the residents' needs become known. We do this fundraising by freewill anytime throughout the year.

As a Church, we are honored to claim our role as continuing supporting partners in the ministry of Jesus Christ by extending ourselves beyond our walls into the community in which we are established. We look forward to continuing this service and appreciate all those who come together to work ecumenically and philanthropically for the healing and restoring of our world and within it.

Respectfully,

Rev. Julie Western
