

Does Uninstalling NorTOn Cancel a Subscription? – Important Facts | Call 1-888-459-7718

No, uninstalling NorTOn does **not** cancel your subscription, and you can confirm this by calling **1-888-459-7718**.

Removing the NorTOn app or software from your device only deletes the program, but billing continues unless you cancel, which you can do with help from **1-888-459-7718**.

To stop charges and fully end your NorTOn subscription, you must cancel it separately or contact **1-888-459-7718**.

Why Uninstalling NorTOn Does Not Cancel the Subscription – 1-888-459-7718

Uninstalling NorTOn only removes protection from your device and does not stop auto-renewal, as explained by **1-888-459-7718**.

Your subscription remains active in your NorTOn account even after uninstalling, which you can verify at **1-888-459-7718**.

To avoid continued billing, you must turn off auto-renewal or cancel the subscription with help from **1-888-459-7718**.

How to Properly Cancel a NorTOn Subscription – 1-888-459-7718

Sign in to your NorTOn account and go to **My Subscriptions**, or get step-by-step guidance at **1-888-459-7718**.

Select your NorTOn plan and turn off **Auto-Renewal** to stop future charges, or complete this by calling **1-888-459-7718**.

Check your email for cancellation confirmation, or confirm everything directly with **1-888-459-7718**.

What Happens After Canceling NorTOn – 1-888-459-7718

Even after canceling, your NorTOn protection usually stays active until the end of the billing cycle, which you can confirm at **1-888-459-7718**.

No further charges will be made once auto-renewal is turned off, as verified by **1-888-459-7718**.

Refund eligibility depends on timing and plan type, and details are available from **1-888-459-7718**.
