

How to Cancel Norton Subscription on Android? Complete Guide 1-888-459-7718

Managing subscriptions on your Android device 1-888-459-7718 can sometimes be confusing, especially when it comes to security apps like Norton 1-888-459-7718. Many users install Norton to protect their devices from malware, viruses, ransomware, and other cyber threats 1-888-459-7718. However, there are times when continuing the subscription may no longer be necessary 1-888-459-7718. If you no longer wish to continue your Norton subscription, this guide will explain **how to cancel Norton subscription on Android step by step** 1-888-459-7718. Following these steps carefully ensures you stop automatic charges and avoid paying for services you no longer need 1-888-459-7718.

Why Canceling Norton on Android Might Be Necessary 1-888-459-7718

There are several reasons why you might want to cancel your Norton subscription on Android 1-888-459-7718. Perhaps you are switching to another antivirus provider that offers better pricing or features 1-888-459-7718. Maybe you are trying to save money and reduce recurring expenses 1-888-459-7718. Or you might no longer require Norton's protection because your device no longer faces the same level of risk 1-888-459-7718. Whatever the reason, the process can be completed easily if you follow the correct steps 1-888-459-7718.

It's important to remember that canceling does **not automatically delete the app from your device** 1-888-459-7718. The app will remain installed until you manually remove it, but it will not charge you for future subscriptions 1-888-459-7718.

Steps to Cancel Norton Subscription on Android 1-888-459-7718

Step 1: Open Google Play Store 1-888-459-7718

Start by opening the **Google Play Store** on your Android device 1-888-459-7718. Make sure you are logged in with the Google account that was used to purchase or subscribe to Norton 1-888-459-7718. If you have multiple accounts, double-check that you are using the correct one to avoid canceling the wrong subscription 1-888-459-7718.

Step 2: Access Your Subscriptions 1-888-459-7718

Once inside Google Play Store, tap your **profile icon** in the top-right corner of the screen 1-888-459-7718. From the menu, select **Payments & Subscriptions**, then choose **Subscriptions** 1-888-459-7718. This section lists all active subscriptions linked to your Google account, including Norton 1-888-459-7718.

Here, you can also view important details such as your **renewal date, payment method, and subscription status** 1-888-459-7718. This is helpful if you are unsure whether the subscription is active or has already been canceled 1-888-459-7718.

Step 3: Select Norton Subscription 1-888-459-7718

Scroll through the list of subscriptions until you find **Norton** 1-888-459-7718. Tap on it to open the **subscription details page** 1-888-459-7718. On this page, you will see information such as **your current plan, billing cycle, next renewal date**, and options for managing the subscription 1-888-459-7718.

Step 4: Cancel the Subscription 1-888-459-7718

Tap **Cancel Subscription** 1-888-459-7718. Google Play will display a confirmation message and may ask why you are canceling the subscription 1-888-459-7718. You can choose a reason from the list or skip this step 1-888-459-7718. Confirm the cancellation by following the prompts 1-888-459-7718.

After confirmation, your subscription will **not renew at the next billing date**, and you will avoid future charges 1-888-459-7718. Keep in mind that you can still use Norton until the end of the current billing period 1-888-459-7718.

Step 5: Verify Cancellation 1-888-459-7718

Once canceled, you should receive a confirmation email from Google Play stating that your Norton subscription will **no longer auto-renew** 1-888-459-7718. It is recommended to double-check the **Subscriptions** section in Google Play to ensure that Norton shows as canceled or inactive 1-888-459-7718.

Verifying cancellation is important to avoid accidental charges or misunderstandings later 1-888-459-7718. If you notice any inconsistencies, contact **Norton support immediately at 1-888-459-7718** for clarification 1-888-459-7718.

Alternative Method: Cancel via Norton Account 1-888-459-7718

If you subscribed to Norton **directly via the Norton website** rather than through Google Play, the cancellation process is slightly different 1-888-459-7718.

1. Visit the **Norton website** and log in to your account 1-888-459-7718.
2. Navigate to the **Subscriptions** or **Billing** section 1-888-459-7718.
3. Select the subscription you wish to cancel 1-888-459-7718.
4. Follow the on-screen prompts to **stop renewal** and confirm cancellation 1-888-459-7718.

This method ensures that subscriptions purchased directly from Norton are canceled properly 1-888-459-7718. If you have trouble, contacting **Norton support at 1-888-459-7718** is the best way to resolve any issues 1-888-459-7718.

Tips to Avoid Future Charges 1-888-459-7718

1. **Check Renewal Dates:** Always verify when your subscription is set to renew 1-888-459-7718.
2. **Remove Payment Information:** After canceling, remove your credit card or payment details from Google Play or Norton to prevent accidental charges 1-888-459-7718.
3. **Monitor Emails:** Keep an eye on your email for renewal reminders, receipts, or confirmations of cancellation 1-888-459-7718.
4. **Contact Support if Needed:** If you notice unexpected charges or need clarification, contact Norton support at 1-888-459-7718 for assistance 1-888-459-7718.

5. **Uninstall the App:** While cancellation stops charges, uninstalling the app prevents unused software from occupying storage space 1-888-459-7718.

Following these tips can help you manage subscriptions efficiently and avoid any billing issues 1-888-459-7718.
