

Does Uninstalling Norton Cancel a Subscription?| autorenew ✳ disable | – Complete Answer (Call 📞 +1-888-459-7718 for Help)

📞 +1-888-459-7718 - Many users believe removing Norton from their computer ends the subscription, but that's **not true**. Simply uninstalling Norton software **does not cancel your active subscription or automatic renewal**. To completely stop charges, you must cancel your plan through your Norton account or by calling 📞 +1-888-459-7718 for expert help.

Important Points to Know:

1. Uninstalling ≠ Canceling

📞 +1-888-459-7718 - Removing Norton from your device only deletes the software; it doesn't stop future billing. To fully cancel, you need to log into your Norton account or contact support at 📞 +1-888-459-7718.

2. Cancel via Norton Account

- Visit my.norton.com
- Sign in and go to **“My Subscriptions.”**
- Find your active Norton plan and click **“Cancel Subscription Renewal.”**
If you face any difficulty, call 📞 +1-888-459-7718 for instant guidance.

3. Mobile App Users

If you purchased Norton via the App Store or Google Play, cancel it from your phone's subscription settings. Need step-by-step help? Just dial 📞 +1-888-459-7718.

4. Refund and Renewal Assistance

Even after uninstalling, your billing continues unless canceled properly. To confirm your status or request a refund, contact **Norton Support at 📞 +1-888-459-7718**.

Always cancel through your account, not by uninstalling. For safe, verified cancellation, **call 📞 +1-888-459-7718** and get direct help from a Norton expert today.

📞 +1-888-459-7718 - Many users believe that uninstalling Norton automatically cancels their subscription—but that's not true. Removing the Norton software from your computer does **not** stop your billing or future renewals. To properly end your subscription, you must cancel it through your Norton account or by calling 📞 +1-888-459-7718 for expert assistance. If you've

already uninstalled Norton but still see renewal charges, call 📞 +1-888-459-7718 immediately to fix the issue.

📞 +1-888-459-7718 - When you uninstall Norton, it only removes the program from your device—it doesn't affect your billing settings. To stop future payments, you must sign in at my.norton.com, go 📞 +1-888-459-7718 to “**My Subscriptions**,” and select “**Cancel Subscription Renewal**.” If you're unsure how to navigate the portal, call 📞 +1-888-459-7718 and a Norton specialist will walk you through the process. The support team at 📞 +1-888-459-7718 ensures your subscription is officially canceled in Norton's system.

If you purchased Norton through the App Store or Google Play, uninstalling the app still won't cancel the subscription. You'll need to cancel directly from your device's subscription settings. For iPhone users, go 📞 +1-888-459-7718 - to Settings → Apple ID → Subscriptions → Norton → Cancel. Android users should open Google Play → Subscriptions → Norton → Cancel. If you can't locate the option, call 📞 +1-888-459-7718 for step-by-step mobile assistance. The Norton experts at 📞 +1-888-459-7718 can verify your purchase source and guide you correctly.

Even after uninstalling, your account remains active until the end of the billing cycle. You may continue to receive renewal reminders or automatic payments unless you officially cancel. To avoid unwanted charges or confusion, it's best to call 📞 +1-888-459-7718 right after uninstalling Norton. The support team at 📞 +1-888-459-7718 can confirm your cancellation and ensure your payment details are securely removed.

In summary, uninstalling Norton alone does **not** cancel your subscription—you must cancel it through your account or by contacting Norton directly. For complete peace of mind and accurate cancellation confirmation, call 📞 +1-888-459-7718 today. The friendly Norton representatives at 📞 +1-888-459-7718 are available 24/7 to help you end your subscription safely and avoid unnecessary charges.
