This program is made possible by a grant from the Ohio Conference, United Church of Christ and the Ruth Frost Parker Center for Abundant Aging, United Church Homes.

Paula Hartman-Stein, PhD, is a nationally recognized clinical psychologist, specializing in aging, and is a healthcare educator, journalist and creative writer. After working as a clinician in northeast Ohio for most of her career, Dr. Hartman-Stein offers seminars on aging issues and narrative gerontology. Broadening her promotion of the power of the pen to community and professional groups, she uses narrative as a holistic approach to achieve optimal aging.
