

++ESPN™/HERE'S!!* WAY TO WATCH Huddersfield vs Castleford LIVE ON TV CHANNEL

Castleford Tigers hosted Huddersfield Giants yesterday, Thursday, July 3, 2025, in a Round 17 fixture of the Betfred Super League. The match kicked off at 8:00 PM BST at The Mend-A-Hose Jungle, Castleford's home ground, with a lively crowd turning out to support their teams in what proved to be a pivotal clash in the league campaign.

Both sides came into the game looking to gain crucial points as the second half of the Super League season intensifies. Castleford, aiming to pull clear of the lower half of the table, leaned on their home advantage and fan support to put pressure on the visitors. Huddersfield, with playoff aspirations still within reach, entered the match needing a strong performance to stay in the race.

The action was broadcast live across the UK on Sky Sports+, giving fans a front-row seat to all the drama and physicality that defines Super League rugby. With intense tackles, swift ball movement, and moments of individual brilliance, the match added another chapter to the long-standing rivalry between these two Yorkshire clubs. As Round 17 concludes, both Castleford and Huddersfield continue their push for a strong finish in the 2025 Betfred Super League season.
