Rev. Timothy P. Paroz, Pastor

11 February 2021

To whom it may concern:

Edinburg United Church respectfully requests a technology grant. The purpose of this request is to install 2 televisions to replace a large center screen. This screen, when deployed, blocks the cross and divides the worship space in two. The two television solution would eliminate the screen, a costly projector and hopefully a lag that sometimes happens during service from the computer to the screen.

Cost estimates include: LG 75" TV (Best Buy) \$799.99 (x2), TV wall mounts (Best Buy) \$89.99 (x2), HDMI Splitter (Amazon) \$20, HDMI cables (estimated 75') \$55 on Amazon (x2). This totals: \$1910

Respectfully,

*Timothy Paroz*

Rev. Timothy Paroz

Pastor,

Edinburg United Church
